

## ***MAKE IT PLAIN MINISTRIES***

*“Man of Sorrows: The Broken Heart of Christ.”*

Evangelist Peter K. Chung

“In order to realize the value of redemption, it is necessary to understand what it cost. We should take broader and deeper views of the life, sufferings, and death of God’s dear Son. A limited idea of the sacrifice made in our behalf leads many to place a low estimate upon the great work of the atonement.”
